Thank you for thinking of our needs and sending me a copy of the "Finnish-English Glossary of Map Terms" recently compiled by Mr.  of your Department of Geography.

The glossary has been carefully examined by myself and several members of the shop, and we all feel it to be a very helpful tool which can be put to immediate and continuing use. It would be a valuable supplement to our collection, as its compilation of specialized geographic and cartographic terms is much more inclusive than those of any of the general reference works already available to us.

If possible within your limited stock, we would very much like to have ten additional copies of the glossary.

I enjoyed seeing you again and was pleased to have the opportunity of being with you and some of the "old gang" in Pittsburgh.
